

REPORT TO SHASTA COUNTY RTPA

SUBJECT	MEETING DATE	ITEM NUMBER
Amendment #3 to the 2004 Federal Transportation Improvement Program (FTIP)	4/26/05	6

RECOMMENDATION

It is recommended that the Agency:

- (1) Hold a public hearing and take testimony on Amendment #3 to the 2004 Federal Transportation Improvement Program (FTIP); and
- (2) Adopt Resolution No. 05-07 approving Amendment #3 to the 2004 FTIP.

SUMMARY

An amendment to the 2004 FTIP has been prepared for consideration by the Agency in conformance with Federal regulations. A public hearing is required prior to approval.

DISCUSSION

Transportation projects in Shasta County receiving Federal funds must be included in the FTIP. This includes City, County, Caltrans, and RABA projects. The RTPA has little discretion to change project selection and priorities; most are set by the delivering agencies subject to Federal funding constraints. Despite having little discretion over federally funded projects, the Agency is obligated to adopt and maintain the FTIP.

Due to recently enforced Federal financial constraint issues and the need to track individual project schedules to keep them consistent with the FTIP, FTIP amendments will now be needed at most Agency meetings. The purpose of this amendment is to adjust the FTIP program to match changes in the following funding categories:

- ☐ Hazard Elimination Safety (HES) Lump Sum Program: Caltrans has determined that a City of Shasta Lake HES Project on Shasta Dam Boulevard and a Shasta County project on Bear Mountain Road will receive an extra \$624,000 this fiscal year. The FTIP combines all HES projects into one "lump sum." The HES project list now totals \$1.758 million in HES funds (and \$245,000 from other sources) over the three-year program. The HES project list is attached;
- ☐ Highway Bridge Replacement and Rehabilitation (HBRR) Program - Lump Sum: Caltrans has revised the HBRR Program for several projects. The FTIP combines all but two Shasta County bridge replacement projects (Cypress Avenue and Airport Road over the Sacramento River) into one, lump-sum item. This amendment will add \$1.912 million in HBRR funds in Fiscal Year (FY) 04/05 and add \$500,000 in FY 05/06. Programmed funds would be reduced in FY 06/07 by \$907,000. The net gain to this three-year program is \$1.505 million. A list of HBRR projects constituting the lump sum amount is shown on the attached HBRR listing; and
- ☐ Cypress Avenue Bridge Replacement: Caltrans has identified a potential for \$23.519 million in extra, "high-cost" HBRR funds for this project. At the February meeting, the Agency approved a State Transportation

Improvement Program (STIP) amendment to better leverage funds such as these. Programming for the Cypress project, as amended by this action, is shown on the attached HBRR listing.

Pursuant to the Agency's Public Involvement Procedures, a public hearing is required to amend the FTIP.

ALTERNATIVES

The Agency could decide not to amend the FTIP. This is not recommended since it would result in the withholding of Federal funds.

OTHER AGENCY INVOLVEMENT

This amendment has been coordinated with Caltrans and the affected local agencies. Upon approval by the Agency, the Federal Highway Administration (FHWA) must approve the FTIP amendment. The Technical Advisory Committee (TAC) concurs with the staff recommendation.

FINANCING

This amendment is intended to make the FTIP consistent with increased Federal funds expected to be available over the next three years.

AMENDMENT #3: FEDERAL TRANSPORTATION
IMPROVEMENT PROGRAM (FTIP) SHASTA COUNTY
REGIONAL TRANSPORTATION
PLANNING AGENCY

The Shasta County Regional Transportation Planning Agency (SCRTPA) is designated by the U.S. Department of Transportation (DOT) and the U.S. Environmental Protection Agency (EPA) as the Metropolitan Planning Organization (MPO) for Shasta County and its incorporated cities. As the MPO, SCRTPA is required to prepare a Federal Transportation Improvement Program (FTIP) every two years. The purpose of the FTIP is to identify all transportation projects that require federal funding or other approvals by the Federal Highway Administration (FHWA) or the Federal Transit Administration (FTA). The FTIP indicates the area's three-year plan for use of federal dollars and other resources for the maintenance, operation, and improvement of the transportation system. An amendment to the 2004 FTIP is currently proposed to reflect: (1) additional Hazard Elimination Safety (HES) program funds for a project on Shasta Dam Boulevard, Shasta Lake; (2) possible changes in Highway Bridge Replacement and Rehabilitation (HBRR) program funds; and (3) other changes in funding as may be required. Public review and comments are encouraged. The 2004 FTIP is available for review on the Internet at www.scrtpa.org. Comments and questions can be directed to Mr. Dan Little, Senior Planner for the Shasta County Regional Transportation Planning Agency, 1855 Placer Street, Redding, CA 96001, comment period begins April 1, 2005, and ends April 26, 2005. A public hearing for this amendment will be held April 26, 2005, at approximately 4:00 p.m., Shasta Senior Nutrition Programs, 2225 College View Drive, Redding, CA.
